

Funding Homelessness Services in Michigan

Funding homeless services is a smart investment

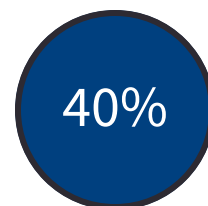

EMERGENCY SHELTER PROGRAM (ESP)

ESP funds 68 emergency shelters and 34 motel service providers in Michigan

Michigan's per diem rate is \$16/night. The national rate set by the US Dept of Veteran Affairs is \$43.32/night

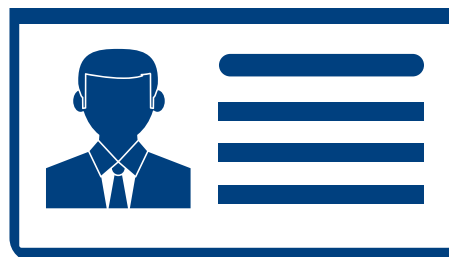

Approximately 40% of all ESP funding is TANF

STATE IDs

Providing IDs for individuals experiencing homelessness saves Michigan money - it costs \$10 for a state ID vs \$16 for a night in a shelter

\$150,000 would provide state IDs for 15,000 individuals experiencing homelessness in Michigan

HOW YOU CAN HELP

- Support MDHHS appropriations increase for the Emergency Shelter Program (ESP) from \$16 to \$20 a day
- Support MDHHS appropriations increase of \$150,000 for access to state IDs
