Q4

In 2018, there were 65,104 individuals who experienced literal homelessness in Michigan, including families with young children, unaccompanied youth, veterans, and seniors. What can you tell us about the issue of homelessness in your district (causes, related issues, and solutions)?

I believe that homelessness in my district is primarily caused by substance abuse and alcoholism.

Q5

How important do you feel it is to find solutions to housing insecurity and homelessness for your district?

(no label)

Very Important

Q6

Each Michigan county develops its own plan to end homelessness and provides services that assist those at-risk of, or currently experiencing, homelessness. Check as many local resources used to assist those experiencing or at-risk of homelessness that you are familiar with

Continuum of Care/Local Planning Body,
Energy assistance and/or home weatherization programs
,
Food Banks,
Housing Vouchers,
Hotel/Motel Vouchers,
Legal Aid,
Permanent Supportive Housing (PSH),
Other (please specify):
Detroit Rescue Mission Ministries

Q7

Homelessness can happen to anyone -- with many households just three paychecks away from losing their home. Select the top 5 issues that you believe are causes of homelessness:

Addiction and/or substance use disorder,
Criminal activity and/or record,
Domestic abuse and/or personal situation,
Inadequate income,
Mental health disorder

Q8

MCAH supports solutions to prevent and end homelessness that will assist as many people as possible, but also recognize that certain demographics may require unique solutions to preventing and ending their homelessness. If elected, what are the top 3 subpopulations you would prioritize?

Families with children,
People with physical and mental disabilities,
Veterans

Q9

While Congress guides much of the funding and solutions for homelessness, Michigan's legislature has the opportunity to enact proven policy to make it easier for individuals and families to have access to safe and affordable housing. If elected, which of these potential state-level legislative solutions to preventing and ending homelessness would you support (select all that apply):

- Champion anti-poverty solutions, including expanding EITC, SNAP, CHIP, TANF, Medicare/Medicaid, SSI/SSDI, etc**
- ,
- Create and expand eviction diversion programs,**
- Create avenues for formerly incarcerated individuals to access housing**
- ,
- End the criminalization of homelessness,**
- Expand job training programs,**
- Increase funding for Emergency Shelter Programs,**
- Increase funding for homeless service providers,**
- Provide protections against discriminatory practices for those experiencing homelessness**
- ,
- Reform eviction practices, including record sealing, credit reporting, establishing right to counsel, and/or creating an eviction database**
- ,
- Reinstate individual tax deductions for shelters and food banks**

Q10

We are in the middle of an Affordable Housing crisis. The U.S. Department of Housing and Urban Development (HUD) defines Affordable Housing as a unit that a household can obtain for 30% or less of its gross income. The National Low Income Housing Coalition (NLIHC) annually reports the number of households that are 'cost burdened,' or paying more than 30% of their income on housing (2020 Out Of Reach). In 2020, NLIHC found there were only 9 counties in Michigan where a full-time worker earning minimum wage can afford to rent a 2 bedroom unit at Fair Market Rent without being cost burdened. Select the top 5 solutions you believe will increase access to affordable housing, including developing new units, expanding access to new rental units, and/or increasing access to home ownership:

- Capture funding for affordable housing from the hotel tax or real estate transfer tax**
- ,
- Reform what criteria is used to determine borrowers' access to capital**
- ,
- Support efforts to create more workforce housing,**
- Create and fund a risk mitigation fund for landlords who rent to low-income or voucher holders**
- ,
- Reform the Low Income Housing Tax Credit (LIHTC) to better serve households with greatest need**
- ,
- Support trade skills and encourage the return of builders to Michigan**
